

# **“TACTICAL AIRBOAT POLICE TRAINING”**

**TACTICAL ADVANTAGE CONSULTANTS, Inc.**

This “Tactical Airboat Training” course is specifically designed for police officers, tactical units and military forces that utilize airboats in the performance of their duties. The realistic hands-on training will significantly enhance the tactical skills and safety of the officers that are assigned to airboat patrol, tactical units and domestic security operations. This training course is designed for both the intermediate and the experienced airboat operator. This is the #1 requested specialized airboat training course in the world. This particular course is only offered once every two years.

The framework for this course was based on the overwhelming requests from our global police, military, tactical units and wildlife officer network. Don't wait! Register now! This specialized, highly exclusive, state sponsored course will sell-out fast and the class size is limited!

Classes will be conducted at the Miccosukee Resort [www.miccosukee.com](http://www.miccosukee.com). You are responsible for your own hotel reservations.

## **Special Requirements - PLEASE READ**

Must present his or her official government identification prior to entering the class. All participants are required to bring three boxes (150) rounds of ammunition, assigned firearm and gun-belt to class. Also, each participant will need a (PFD) Personal Flotation Device for the airboat training. Hands-on training will be conducted approximately 15 miles from the hotel at the edge of the Everglades. Students may wish to bring personal equipment such as sunscreen, rain gear, water jug etc. There are various types of airboats; therefore, in order to ensure the continuity of training, each agency is required to bring their own airboat. Exceptions would be for out-of-state officers or special requests.

## **Cost**

**\$ 999.00 per person if the payment is received prior to October 2, 2026.**

**(The cost will be \$ 1199.00 after October 2, 2026)**

## **Procedure**
