

BASIC MARINE POLICE TRAINING 2026

"The Marine Law Enforcement Experts"

Approved for mandatory retraining

This marine police training course is specifically designed for marine patrol officers and supervisors that work in maritime law enforcement. The HANDS-ON training will significantly enhance the skills and safety of the officers that are assigned to proactive enforcement activities, boating safety and marine domestic security details. The framework for this course was based on the needs and requests of the local south Florida marine law enforcement agencies. Please visit our website at www.tactrainingusa.com.
